DAY 01 - ARRIVAL & ISLAND EXPLORATION

Morning/Afternoon: Airport pickup & speedboat transfer to island.
Late Afternoon: Check-in at hotel followed by a briefing & an Island buggy tour to help students get familiar with their surroundings.
Evening: Welcome dinner.

DAY 02 -THE CORE SNORKELING EXPERIENCE

Morning: Sandbank visit & Blue Hole Snorkeling session. Great introductory water activity for the students.
Lunch: at sandbank
Afternoon: Free time for beach games & relaxation.
Evening: Group dinner.

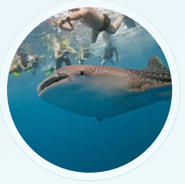
DAY 03 - MARINE MEGAFAUNA SAFARI

Morning: Half-day excursion for Manta Ray and Nurse Shark snorkeling—usually the highlight of the trip for students.
Afternoon: Visit Velidhoo for a brief local island tour.
Evening: Group dinner and a recap of the marine life spotted that day.

DAY 04 - AGRICULTURAL DISCOVERY & SUNSET DOLPHIN CRUISE

Morning & Midday: Thoddoo Discovery. Students explore local fruit plantations to learn about island agriculture, food sustainability, and the daily mechanics of the Maldivian local economy.
Early Afternoon: Snorkeling the Thoddoo house reef to cool off and observe different reef structures.
Late Afternoon (Golden Hour): Board the speedboat for the journey back to hotel. The transfer transforms into a Sunset Dolphin Adventure, tracking local pods of spinner dolphins as they become active on sunset.
Evening: Group dinner at the hotel.

DAY 05 - WHALE SHARK DISCOVERY



Morning: Early speedboat departure to Baa Atoll. Students receive a briefing on whale shark feeding habits and respectful interaction protocols before entering the water.
Mid-Day: Guided snorkeling session tracking the Whaleshark.
Late Afternoon: Return to hotel to rest and recharge.
Evening: Group dinner and a recap of the day's marine encounters.
